ACANTUS TINTO

Varietal Wine 2018

*The perfect balance between fruitiness and
oaky aromas from the cask*

GRAPE VARIETIES

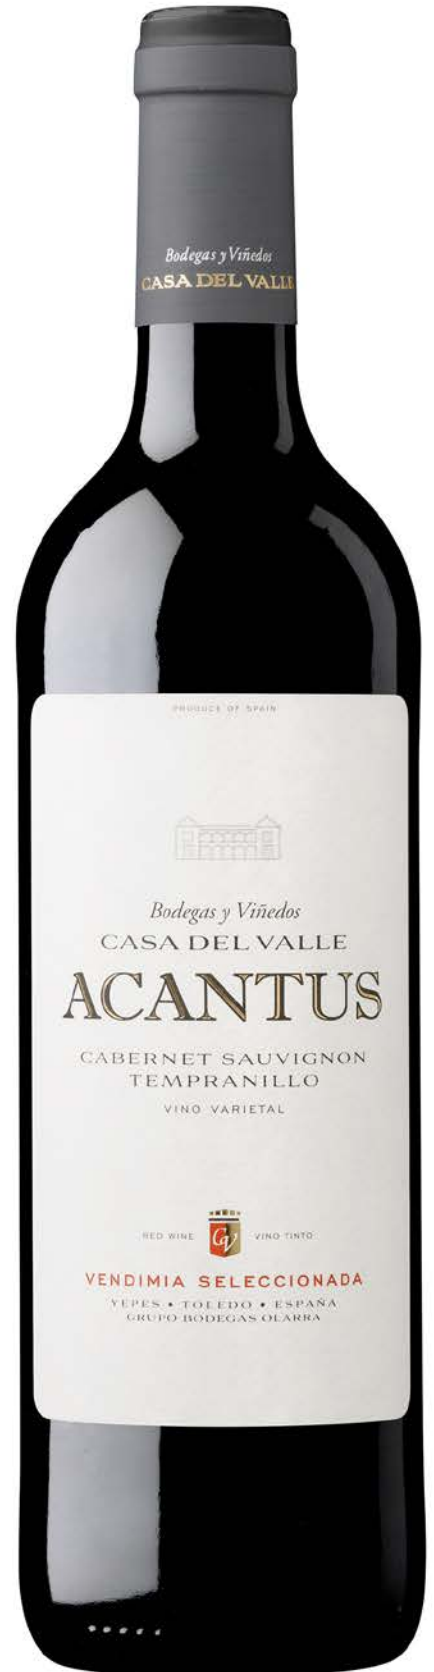

Tempranillo, Cabernet Sauvignon, Merlot and Syrah.

WINEMAKING

Each variety was fermented separately in order to obtain maximum fruitiness from each variety. This wine was matured in barrels to achieve greater complexity.

TASTING NOTES

It has a bright garnet colour of medium to high intensity, with shades of ruby. The bouquet is powerful, with dominant fruity aromas and nuances of maturity, spices and dry fruit. To the palate it is ample and with body. Well structured and rounded up.
