

CHARDONNAY

D.O. VINOS DE LA TIERRA DE CASTILLA

A great choice for an excellent Chardonnay.

GRAPE VARIETIES

100% Chardonnay.
An exclusive single-variety wine made from carefully selected grapes grown in our own vineyards and estate-bottled.

WINEMAKING

After full monitoring and control of ripening so as to decide just the right time to harvest, the grapes were picked during the night. Pre-fermentative maceration and alcoholic fermentation before ageing on the finest of lees for three months in American and French oak casks.

TASTING NOTES

Pale yellow with golden glints. A complex, elegant nose with aromas of blossom, citrus fruit, honey, walnuts and lactic nuances. Silky-smooth and juicy mouth-feel, but with body and the necessary good acidity and backbone for a great wine.
