ACANTUS WHITE

VARIETAL WINE

A great choice for an excellent Sauvignon Blanc.

GRAPE VARIETIES

Sauvignon Blanc 100%.

WINEMAKING

The special bouquet of Sauvignon Blanc harvested at its maturity, and its great intensity, were the starting point for this wine. It was made using selected yeasts and low temperature fermentation. A prolonged period on its finest lees gives it roundness and smoothness.

TASTING NOTES

Acantus White shows an outstanding straw colour. Its bouquet shows great intensity and fineness, with aromas reminding of muscat, white flowers and flint. To the palate it is balanced, with a persistent varietal aromas.
