ONDARRE

ONDARRE
VALDEBARÓN

WHITE 2025
DOCa Rioja

All the typicity of singular vineyards and landscapes from the slopes of Valdebarón northeast of Viana

VINEGROWING	Sand and gravel, clay, chalk and limestone soils shape the slopes to the north and northeast of Viana, where we grow this low yielding white tempranillo.
WINEMAKING	Cask-fermented in new French oak followed by a further 3 months' ageing on its very finest lees in American- and French-oak and acacia wood casks.
TASTING NOTES	Pale straw in colour, this wine reveals varied and delicate aromas of white blossom and a firm, elegant mouth feel with a long aftertaste.
