

ONDARRE VALDEBARÓN

WHITE 2019 DOCa Rioja

*All the typicity of singular vineyards and
landscapes from the slopes of Valdebarón
northeast of Viana*

VINEGROWING

Sand and gravel, clay, chalk and limestone soils shape the slopes to the north and northeast of Viana, where we grow this low yielding white tempranillo.

WINEMAKING

Cask-fermented in new French oak followed by a further 4 months' ageing on its very finest lees in American- and French-oak and acacia wood casks.

TASTING NOTES

Pale straw in colour, this wine reveals varied and delicate aromas of white blossom and a firm, elegant mouth feel with a long aftertaste.
