Los Otros de ONDARRE

Vino de Viana

GARNACHA BLANCA

2025

From a distance, the vineyard looked like any other. A mark on the landscape of Viana, a map of vines across poor soil, open to the wind and the light. But a vineyard is rarely understood from afar. So we took a step closer. And sat down to listen.

VARIETY

100% Garnacha Blanca.

VINEYARD

From a single 1.42-hectare vineyard in Viana, located on a small plateau. Poor soil, with gravel and a marked presence of limestone, sandy-loam in texture at the surface and with a higher clay content at depth. A particularly windy site, with controlled yields of 50 hl/ha.

VINIFICATION

Hand-harvested in the early morning of 8 September 2025. After a cold pre-fermentation maceration, only the free-run juice is selected. Slow fermentation at between 13 and 14 ºC, followed by several months of ageing on fine lees in stainless steel tanks.
The 2025 vintage was rated Excellent in Rioja. An exceptionally small crop, with grapes in outstanding health and at optimum ripeness.

COLOUR

Pale lemon yellow, with greenish highlights. Clean and very bright.

AROMAS

Fragrant and deep. Notes of orange blossom, white fruit and citrus, with hints of pear, quince and honey.

TASTE

Smooth and full on entry, followed by pronounced freshness. Well-defined acidity, savoury and slightly saline on the palate, with a delicate bitter note and a particularly floral retronasal finish.

From the 2025 vintage, 4,657 bottles were produced.
